

Social Stories for digital Marketing!

Over these 6 weeks we cover:

Social stories feed our brain & our nervous system, which empowers us to make choices on things such as small & large purchases, to life changing events!

When you are finished with this course you will have written at least 3 effective social stories in 3 different categories to empower your audience.

You will also learn about software to help you with videos, imagery and ways to publish your stories.

At the end of the course, you will receive a stone pebble to commemorate your accomplishments.

Cost of course: \$595. WINN Members receive a 25% discount.
